URBAN SPA FACIALS

Relax with complimentary light refreshments in our relaxation lounge or enjoy the beach views from our balcony. Herbal Teas and Coffee are provided.

SKIN CONSULTATION - 20min

\$65 (Inc in VIP)

(The \$65 is redeemable on Ultraceuticals Skin Care products purchased on the day)

- ◆ Your Urban Retreat Day Spa Skin Expert will go through possible lifestyle factors, medications, gut health and other contributing factors and will put together a personalised professional treatment plan and homecare recommendations to achieve the best possible results.

URBAN REPLENISHING SIGNATURE FACIAL - 50min **\$155 ****

- ◆ A Relaxing and Nourishing Spa Facial that is tailored to all skin types. Treatment includes Dual Cleanse, Exfoliation, a Customised Face Mask, with Facial and Scalp Massage. Our Signature Spa Facial also features a soothing Neck, Shoulder and Decolletage Massage.

OXYGEN THERAPY FACIAL - 50min

\$169 **

(Join our VIP Membership to enjoy a 40min Oxygen, Micro or Massage every Month!)

- ◆ Oxygenated Facials are not only relaxing but give your skin a kick back into action. Our products contain Hyaluronic Acid for hydration and anti-aging. Hyperbaric Oxygen infuses the serums deep into the dermis resulting in calming, hydrating and rejuvenation of the skin.

MICRODERMABRASION - 50min

\$169 **

(Join our VIP Membership to enjoy a 40min Oxygen, Micro or Massage every Month!)

- ◆ A Mechanical exfoliation treatment where the dull surface cells are vacuumed away leaving your skin texture, smooth, bright and radiant.

HYDRO-DERMABRASION - 50min

\$189

- ◆ Hydro-dermabrasion begins with a Microdermabrasion Treatment using suction combined with a Diamond Head Exfoliator to deeply cleanse the skin. This process removes dirt as well as dry and dead skin cells, leaving your skin refreshed, clean and clear.

Hydro-Dermabrasion uses a supersonic nozzle to simultaneously cleanse and vacuum the skin, offering an even more deeper exfoliation, flushing away dead skin cells and stimulating cell regeneration. Your skin will feel incredibly smooth, hydrated and rejuvenated.

These ultrafine, medical quality needles are attached to a needling pen to create multiple skin punctures that induce a wound healing response that stimulates new collagen and elastin production. New collagen and Elastin, improve skin quality and texture, making the skin feel firmer and smoother and help repair acne scars and fine wrinkles. Skin Needling also helps repair stretch marks and surgical scars.

IPL SKIN REJUVENATION

FULL FACE **\$150**

FACE, NECK AND DECOLLETAGE **\$450**

Test Patch/Consult required

Intense Pulse Light (IPL) Pigmentation, Skin Rejuvenation and Vascular Treatments. IPL is a non-invasive treatment that improves your complexion by stimulating regeneration in the deep layer of your skin. This Treatment is widely used within the industry with amazing results.

A full client consultation is necessary to see suitability and a "patch test" is also performed to allow the client to see what they can expect and allow us to make sure we tailor this treatment to your individual needs. IPL treatments are safe and are a very effective way to rejuvenate the skin. We recommend commitment to 3 or more sessions to gain the benefit and desired results.

HAIR REDUCTION IPL

(PRICING AVAILABLE ON REQUEST) *TEST PATCH REQUIRED

Hair Reduction using IPL is a fast and simple approach for a variety of skin types. The ultimate for destroying hair follicles responsible for hair growth without harming the surrounding tissue. Unlike shaving, waxing or tedious electrolysis, this is a lasting solution that takes away the unwanted facial and body hair.
